Name Date Block

Using the Periodic Table

Element	Symbol	Atomic Mass No.	Atomic Number	No. of neutrons	No. of protons	No. of electrons	Family or Group	Period or Series
Lithium								
Beryllium								
Argon								
Scandium								
Vanadium								
Gallium								
Selenium								
Antimony								
Xenon								
Iridium								
Bismuth								
Samarium								
Thorium								
Plutonium								
Californium
